NEWSLETTER

No 1

Welcome to our first newsletter.

We will be issuing it half yearly in the future to keep all members and friends abreast of events in the Chapel and Sunday School.

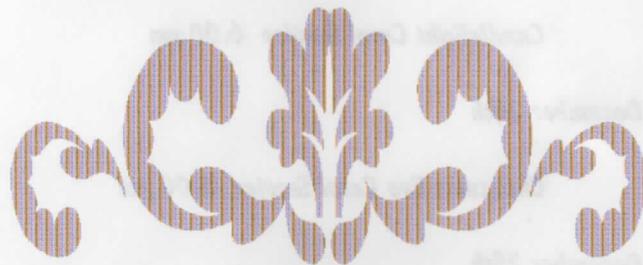

In August there was a major gas leak discovered in the kitchen area of the Sunday School. With recognition of all the dangers involved we were advised to refurbish by switching to electric so making the area safe.

This work was carried out at a total cost of £1,100. We would hope that part of this will be offset by your support during the festive season.

In September Mrs Cartwright had an unfortunate accident and damaged her back. After a spell in hospital she now appears to be on the road to recovery. All our thoughts and prayers are extended to her and hope she will soon be able to join us in fellowship again.

On the 6th November, the sudden and tragic death occurred of Mrs Evelyn Botfield. Evelyn was a lively and popular member, loved by both young and older members of the chapel and will be sorely missed at all functions held in the future.

On a brighter note the National Scripture Examination took place in March under the auspices of Netherton Sunday School Union. The results were announced on the 16th November. Our school achieved TOP MARKS, winning the shield. This is a magnificent achievement and all scholars are to be congratulated. The children were treated to a fish and chip supper in recognition. Thanks to all parents for encouraging your children.

On Monday 13th November our Secretary Neal Clarke and his wife Geogina were blessed with a second daughter, Olivia, a sister for Jessica. Congratulations and best wishes to you both.

This brings to a close our first Newsletter.

We hope it has been informative and look forward to your help and participation in future events.

All it leaves us to do now is to wish you all a Happy Christmas and a Peaceful New Year.
